

Anlock Rivet (Mega Lock)

Anlock Blind Rivets In-Bolt with a multi-grip clamping range and a high tensile and shear strength provides a high resistance to vibrations and a good watertight performance.

Advantage:	Applications
<ul style="list-style-type: none"> * High shear and tensile strength * Superior holding power (Clamp up) * Fastens over wide grip range * Locking feature prevents loosening of mandrel from vibration 	<ul style="list-style-type: none"> • Automotive industry • Truck building • Containers • Construction work • Coach work
