

Open Blind Rivet

Blind Rivets are now capable in every industrial field to replace Welding, Tapping Screws or Bolts & Nuts and to fasten materials speedy and securely from one side of the work by using an exclusive fastening tool.

Advantage:

- * Optimum clamp-up force
- * Accommodates oversized and irregular sized holes applications
- * High mandrel head retention
- * Vibration and moisture resistant
- * Reduced inventory, it can replace open type up to the size

Applications

Plastics

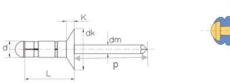

Automotive

Furniture industry
